

**Register and pay via the CAMS online portal** (links below).

**Scrutineering** 07:45am-08:45am Sunday 14 October 2018 at the Upper garage.

**Drivers Briefing** 09:00 - 09:10

**Sighting Lap** 09:15 - 09:40

**Into It** 09:45am

**Registration must be completed on the CAMS website, <https://www.cams.com.au>** If you are new to the CAMS site you'll need to use your CAMS number to login and set yourself and your car up on the system. You only need to do that once and then registering for an entry is simple and quick.

The cost is \$100 per competitor and is paid direct to CAMS via the aforementioned registration portal. Dorians are not required. Lunch will be provided.

Draft Supp Regs are available here [Draft Supp Regs 2018 SSR7 Jacks Hill Climb - Barbagallo Raceway 14 Oct 2018.pdf](#)

- Sunday 14 October 2018 and cost is \$100.00 and includes lunch.
- Scrutineering is at 7:45 am at Jacks Hill and event finishes at 4.00pm
- It's basically a timed run in one direction with a flying finish. You will love this so get organised now and have the best fun you can possibly have.
- Register now and download the Supp Regs for full details on the event.

### **Scrutiny of Vehicles**

All vehicles entered for PCWA events including Sprints and Hillclimbs are subject to scrutiny and all competitors must present their vehicles prior to competing in the event. At scrutiny your helmet must be presented for inspection and approval. Apparel must comply with Schedule D of the CAMS Manual. Your CAMS Licence, and vehicle log book (if applicable) and State Drivers Licence must be produced at scrutiny and on request during the meeting.

1. Licence requirements: Level 2 Speed Cams licence: Go to [www.cams.com.au](http://www.cams.com.au) to fill in the application form.
6. Display a blue triangle (sides 150mm) indicating the location of the battery. Stickers are available from race shops such as Go Gear for this, alternatively electrical tape can be used to mark out a triangle.
7. Glass headlights need to have an adhesive cover or tape fitted to prevent the spillage of glass onto the track.
