pits/parking and toilet.

Speed control chicane locations

Road closed and monitored using authorised observation officials

Observation Officials located at car park and lookout area

**Mt Brown Hill Climb course**  
Approximate overall distance 2.2 klm.

**Event format**  
Drivers ascend the hill, turn around in the upper car park in a counterclockwise direction, then return down the hill into the 'full stop' garage. Speed control chicanes will be installed.
